Dear Ms. Albertus:

Enclosed are the reports on Colbert Landfill that I mentioned to you last week. We expect that a number of people will be reviewing them, since there has been considerable community interest in this issue.

Copies will also be available for review at the Colbert Elementary School, E. 4526 Green Bluff Rd., Spokane 99005, and the Eastern Regional Office of Ecology, N. 4601 Monroe St., Suite 100, Spokane, 99205.

The Department of Ecology will hold a public meeting to explain the clean-up alternatives and receive public comment. The meeting will be held on Thursday, May 28, at 7 pm, at Colbert Elementary School.

A fact sheet is being printed and will be mailed this week to the 300 people on the mailing list. You will also receive copies.

Thank you for your continued help. Please call me if you have any questions.

Sincerely,

Mimi Sheridan
